Dear David,

On behalf of all the staff, program participants and volunteers of the Downtown Berkeley YMCA, I would like to thank you for your generous donation of \$500.00 to the Youth & Community Support Campaign.

Your contribution will aid a wide variety of YMCA programs and provide financial assistance, so that people of all ages and backgrounds can participate in programs that support the mind, body and spirit.

From offering teens advice and guidance for their academic future after high school through the Y-Scholars program to providing financial assistance for a child from a low-income family to make new friends and create lifelong memories at camp, YMCA programs are successfully building a stronger, healthier community for all of us. These programs could not be possible without new and continued support from donors like you.

Thank you again for believing in the work of your YMCA and for helping us build strong kids, strong families and strong communities.

Sincerely,

Peter N.F. Chong
Vice President & Executive Director

Thanks for your donation to continued support
